The Central OK 89er Chapter of Quail Forever was established in 2005 as one of the first Quail Forever Chapters in the Nation to help ensure wildlife and quail conservation in our state by working closely with ODWC, OSU, OPBA, biologists, landowners, researchers and other conservation groups. The need for your assistance to help quail and other upland wildlife is greater now than ever before and there are several ways you can help, including purchasing sponsorships and tickets, monetary, product and service donations.

Any product, service or monetary donations for our fundraising banquet would be greatly appreciated as well as sponsorships. You and/or your company donations and sponsorships will be recognized in the banquet program establishing you as a conservation advocate. Quail Forever is a 501 (c) (3) and will provide a proper *tax-deductible* receipt for any donation. (Federal identification # 41-1429149)

Become a part of our mission to preserve and restore critical upland wildlife habitat and help us keep Oklahoma one of the premier wild quail hunting states in the nation. Our chapter decides how 100% of the dollars raised by our fundraising efforts will be used to enhance and preserve Oklahoma’s native prairies and support our youth mission “No Child Left Indoors” along with the “Call of the Uplands” initiative.

Help answer the call. Tickets and donations, make checks payable to Central Oklahoma 89er Quail Forever and mail to: Quail Forever: c/o James Dietsch, 5937 N Redmond, Oklahoma City, OK 73122.
